

EMU SESI Conference Final Details

Hello Parents and Students,

Just a friendly reminder to turn your permission slips, for this Fridays BEAM&R field trip, in to your attendance office by **Wednesday, Feb. 11.**

This is a great opportunity for students to hear successful entrepreneurs' stories, what it takes to run a business conference, as well as experience a business plan competition. I have included the details of the conference below.

GENERAL INFO

Those interested in attending the 2009 Eastern Michigan University Entrepreneurship Conference this Friday please reply to this email and let me know. There are only 12 spots available so please respond quickly. I have attached a permission slip, which is due Wednesday by 12:00 PM to Mrs. Stoltman and Mrs. Currier. This event is free to students. I have obtained a Chauffeurs License to accommodate the groups travel plans on Friday.

I was the President of the Entrepreneurship Group that organizes this great conference.

Here is some information about the conference:

"Join us for the Sesi Midwest Entrepreneurship Conference, presented by the Eastern Michigan University College of Business on February 13, 2009 at the EMU Student Center. The Collegiate Entrepreneurs Organization (CEO) is a EMU chapter of the national CEO with the mission of aiding students of all majors in learning the aspects of starting their own business and will be hosting the event (formerly known as the CEO Conference)."
