

BROTHER RICE LEADERSHIP INSTITUTE

The Leadership Institute was developed in 2007 to promote the achievements of Brother Rice alumni and to foster Christian leadership skills in our community. These 123 inductees are posted above classrooms throughout the school as a reminder to our students of the possibilities that await them. For more information about the Leadership Institute, or to nominate an alumnus, contact Dan McGrath '96 at (248) 647-2526 or mcgrath@brrice.edu.
