

Brother Rice Fact Sheet

Mathematics

Carl Grosso,
Mathematics Department Chair

Started at Rice: 1974
BS from Wayne State
Major in Mathematics and
Economics
Minor in Computer Science

Deborah Adams

Started at Rice: 2000
BA with high honor from Michigan
State University
Major in Math, Minor in Theatre
Certified to teach Mathematics and
Theatre/Speech/Drama
MBA from the University of Michigan
Teaches Algebra I, Probability &
Statistics, Accounting, Economics,
and Speech at Brother Rice;
Speech, Intro to Drama and Drama I
at Marian H.S.

Rachel Boudreau

Started at Rice: 1990
BA in Mathematics from the College
of St. Elizabeth, New Jersey
Teaches Algebra I, Algebra II,
Honors Algebra II, Geometry,
Honors Geometry, College Algebra,
Pre-Calculus, Honors Pre-Calculus

Pam Ingrody

Started at Rice: 2007
BSME University of Michigan,
Dearborn
MSME University of Michigan
2005 Secondary Certificate
Licensed Professional Engineer,
State of Michigan
Teaches Algebra I and Science

Kelly Katz

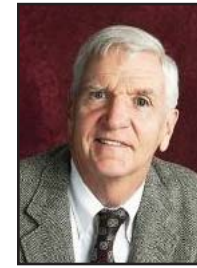

Started at Rice: 2008
BS in Mathematics from
Purdue University, Indiana
MA work at St. John's University in
Educational Administration
Teaches Geometry/Trig, AP Calculus

Jim Rademacher

Started at Rice: 1972
BA from the University of Detroit in
Economics, Commerce & Finance
MBA from Wayne State
Teaches Algebra II, College Algebra,
Economics

Bob Stark

Started at Rice: 1968
BA University of Notre Dame
MA from Central Michigan
University
Teaches Honors Geometry with
Trigonometry, Probability/Statistics

Students at Brother Rice typically take four years of math. The department's goal is for Brother Rice students to be proficient in algebraic and geometric skills, possess strong problems solving techniques, as well as being skillful in the use of graphing calculators and forms of technology.

The following courses are offered by the Mathematics Department:

Algebra I
Algebra I Honors
Algebra Ia
Algebra Ib
Algebra II
Algebra II Honors
Geometry with Trigonometry
Geometry with Trigonometry Honors
PreCalculus
Honors PreCalculus
Calculus
AP Calculus AB and BC
College Algebra
Probability/Statistics

Mathematics Department Faculty belong to:

- NCTM (National Council of Teachers of Mathematics)
- National Catholic Education Association
- Detroit Area Council of Teachers of Mathematics

Special Activities both in & outside the classroom:

- Michigan Mathematics Prize Competition
- Alma College Math Challenge

Frank Carrico

Started at Rice: 1975
BSBA in Accounting from
Aquinas College
Teacher Certification Program at
Michigan State University
MA in Teaching of Mathematics at
University of Detroit Mercy
Teaches Algebra I, Algebra II,
Geometry/Trig, all Business
Courses, Theology, Gym
Adjunct Faculty Member at Oakland
Community College Mathematics
department

Robert Kender

Started at Rice: 2006
BS from University of Dayton
Major in Computer Science and
Business Management
Minor in Math
Secondary Education Degree from
University of Detroit
Teaches Algebra I, Algebra II,
Accounting
