

## YOUTH VS. EXPERIENCE

More than 50 Warrior Basketball alumni, from the 1960s to current college student-athletes, came back on campus December 23 for scrimmages against the 2011-12 teams. An all-alumni open gym kicked off the annual event, now in its fifth year, followed by a regulation, four-quarter scrimmage against the current JV team, and culminating in an Alumni vs. Varsity scrimmage. Above, family and friends watch the traditional pregame introduction ceremony, where each current player and alumnus introduces himself and provides a little background information. Following the introductions, the current players presented the alumni with copies of the program's 50<sup>th</sup> Anniversary yearbook. Alumni teams defeated both the JV and Varsity squads, 78-64 and 63-52, respectively.
